

# Alumni Network

---

*Events are where we unite. Content is how we gain insight. Collaboration is where we excel.*

**Join our Alumni Network!** Welcome to the Maynard Nexsen Alumni Network – the forum that connects the talent, ideas, and resources of current and former Maynard Nexsen employees to help you achieve a greater professional impact.

Through events, content, and collaboration opportunities, we bring together the brightest minds in the legal industry – even if your career has taken you elsewhere – because we believe success is always more powerful when it's shared.

With a growing membership of nearly 600 professionals across the United States, we are a cohesive network that delivers greater professional opportunities through strong relationships and lifelong career support.

Three key pillars support the efforts of our Alumni Network:

- **Events are where we unite.** With a focus on CLE opportunities, members can attend a range of events to help advance career development goals. Join our LinkedIn Group to stay in the know.
- **Content is how we gain insight.** Our Alumni Network page on LinkedIn keeps alumni engaged on key industry topics, firm news, and upcoming events.
- **Collaboration is where we excel.** In bringing together top industry minds, we can help each other propel professional projects forward and reach new milestones that may have been difficult to achieve on our own.

**Join us today!**
