Legal Elite Methodology

Since 2002, Business North Carolina magazine has honored North Carolina Lawyers by publishing Business North Carolina's Legal Elite, a listing of the state's top lawyers in business-related categories. Each year, BNC sends ballot notices to every member of the N.C. State Bar living in North Carolina - asking each a simple question: Of the lawyers whose work have you observed firsthand, whom would you rate among the best in these categories? BNC's Legal Elite has become the model for other awards and lists, but it remains unique as the only award that gives every active lawyer in the state the opportunity to participate.
