Nexsen Pruet is pleased to announce that the firm has been recognized by *The American Lawyer* as a **2019 Am Law 200** firm.

Debuting at no. 197, Nexsen Pruet is one of only two Columbia-based law firms included in the publication's list.

"Nexsen Pruet being listed among the highest grossing law firms in the United States is a result of the hard work and dedication of our attorneys and staff," said **Howard Janis**, Nexsen Pruet's Chief Financial Officer. "With a focus on our clients' experience and intentional process updates, we made great strides in 2018 and look forward to building on those successes in the future."

According to *The American Lawyer*, the Am Law 200, a ranking of the 200 highest-grossing law firms in the United States, is reported by ALM business of law journalists and researchers. The first portion of the list, The Am Law 100, was published in the May 2019 issue of *The American Lawyer*. The Second Hundred, featured in this issue, consists of firms ranked 101-200 by their gross revenue. Most law firms provide their financials voluntarily for this report. Some choose not to cooperate, so we make estimates based on our reporting. But all data is investigated by our reporters.
