International Law & Services

05.12.2020

As a member of LAWorld, an international legal network of independent law firms, Nexsen Pruet attorney David Garrett filmed a short video explaining how the United States has dealt with the coronavirus on both a federal and state level. Click below to watch David provide a brief explanation to the United States Government's response and what it means for businesses.

For more information regarding International Law, contact David Garrett.

LAWorld is a non-exclusive international legal network of 57 independent mid-sized law firms covering most of the major commercial centers around the world, with more than 1350 lawyers across 11 cities. LAWorld's mission is to provide clients and other lawyers with instant access to quality local legal advice virtually anywhere in the world.

Our insights are published as a service to clients and friends. They are intended to be informational and do not constitute legal advice regarding any specific situation.
